

FARMER BROTHERS
COFFEE CO

2026 PRODUCT GUIDE

LEADING THE WAY

Founded in 1912, Farmer Brothers Coffee Co. is a national coffee roaster, wholesaler, equipment servicer and distributor of coffee, tea and culinary products. Our product lines include organic, Direct Trade and sustainably produced coffee, as well as tea, cappuccino and beverage mixes, spices and culinary goods.

CERTIFIED ORGANIC
The products that include this label are grown under a set of environmental best practices, including no artificial fertilizers or pesticides, plenty of native habitat and wide buffer zones.

FAIR TRADE CERTIFIED™
This label signifies that the products were produced in an ethical manner. Coffee growers are justly compensated for their efforts, improving quality of life, empowering communities and encouraging environmental preservation.

PROJECT DIRECT®
The products that include this label are grown using a green coffee buying model that is built on healthful farming practices, open communication, transparency and paying farmers fair prices for excellent coffee.

CERTIFIED KOSHER
Many of our items are kosher certified. Please ask your local sales representative for the type of kosher certification on specific items.

Fair Trade Certified is a registered certification mark of Fair Trade USA.
Project Direct is a registered trademark of Farmer Bros. Co.

OUR PURPOSE

WE BRING THE COFFEE, AND WE MEAN IT

We exist to create connections over coffee.

We listen first, act second and prioritize relationships above all. We meet the complex coffee needs of every customer by following through on what we say we'll do.

COFFEE

SPECIALTY COFFEE

Ethically sourced specialty coffees are seeing year-over-year growth with consumers who want to feel good about the choices they make. With carefully sourced, high-elevation Arabica beans and roasting methods tailored to each blend, Sum>One Coffee Roasters brings you an extraordinary coffee experience. Enhance your coffee program with coffees that make a difference, to your customers, the growers and the environment.
